This link is no longer valid. The new home page for **Urbis - A World of Cities** is now a wiki at the following URL:

`http://urbis.wikidot.com/`

You contribute your own setting material by joining the wiki here:

`http://urbis.wikidot.com/system:join`

The old version of the Urbis Campaign Setting for the d20 System can be downloaded from the Files section of the Urbis Mailing List (mailing list membership is required before downloading the file is possible):

`http://games.groups.yahoo.com/group/urbis/`

For licensing reasions, future conversions of **Urbis** for other systems will also be uploaded available there.
